

An **ALL-INCLUSIVE** membership including every amenity **PEAK FITNESS** has to offer. This membership includes access to our cardio theater, housing the industry's most state of the art cardiovascular equipment. Also included is full access to our strength training area with the latest selectorized plate-loaded and free weight equipment, full access to our indoor aquatic area featuring a 20-yd heated activity/lap pool, therapeutic whirlpool and dry sauna. **PLUS** both land and aquatic group exercise classes, Sports Performance and Hiit classes as well as **Kerrville CrossFit**- a high intensity class, constantly varied and never the same workout twice. Functional movement that taxes your entire body and promises to leave a lasting impression every time you leave the class. Led by energetic, highly trained and certified CrossFit coaches that know exactly what you need for the day. Programs will be designed and implemented for you daily. CrossFit is designed for ALL fitness levels, even if it's your first time. **WARNING:** CrossFit is highly addictive. You may just get the best work out of your life!
